Thank you all for running the Twentieth Crook Peak Cake Race. I would like to thank Bee, Cori, Phil and Neil for all their help, and also thank Joyce for the making of the excellent, and huge, chocolate cakes. Congratulations to Felix (?) and Grace for winning, and so generously sharing their prize cakes with all of the other competitors; I believe they lasted less than ten minutes.

Commiserations to Matt Crane who headed the field off the last descent of Cross Plain only to be thwarted by the location of the finish.

The race raised the sum of £350 for the Air Ambulance.
