

JINLYE JOG PROVISIONAL RESULTS

Thanks to Don Hale, Robin Bacon, Jack Agnew, Gareth Jones, Suzi Kapitanec, Tim Kieniewicz and Zoe Tinnion for their help and to Helen Brown and the WFRA for providing insurance for our slightly unusual race!

Numbers 136, 119 and 127 missed the Gogbatch checkpoint and seem to have cut the corner up the road. I had two options. Disqualification for missing a single marker seems a little harsh, so I have added 1:30 to their times as a best estimate of the time they saved, and a further 0:30 to penalise them as they should have checked the route description or map if in doubt.

Don't forget the next race in the series, **Terry's Tinselly Townbrook Terror**, on Tuesday 18th December starting from the Scout Hut in Church Stretton at **7pm**.
